We are proud to bring you our menu of iKOU spa treatments. iKOU is based in the Blue Mountains Australia, and creates spa journeys inspired by nature, with sensory details of global spa culture infused into every experience.

iKOU is a Japanese word meaning; "to rest, to relax, to restore". Multi-award winning iKOU creates luxurious products using organic and wild-harvested ingredients sourced from the world's most pristine environments. Proudly Australian made, iKOU Spa treatments connect Body & Mind with a fusion of Aromatherapy oils, native Australian plant, fruit and flower extracts and global spa culture.
